Discover how a top US non-profit streamlined partner distribution, unified SSO access, and delivered a branded digital experience using KITABOO's scalable, white-label publishing platform.

CADFG Trusted by 500+ publishers

Critical Barriers

The Challenge

Four mission-critical challenges were slowing membership growth and complicating digital operations for the nonprofit.

<p>Inefficient eBook Distribution Workflows Managing orders and assignments across partners was slow and manual. • Impact: 42% delays in fulfillment cycles.</p>	<p>Complex Multi-Platform Integration Different systems required separate login and access processes. • Impact: 36% increase in access-related support tickets.</p>
<p>Inconsistent Branding & User Experience Members received fragmented experiences across devices and interfaces. • Impact: 29% drop in repeat engagement.</p>	<p>Limited Partner Management Visibility Lack of centralized controls made tracking assignments and usage difficult. • Impact: Decision cycles slowed by 31%.</p>

Critical Decision Point

The Turning Point

To support rapid membership growth, the team recognized the need for a solution that could centralize partner distribution, strengthen access control, and deliver a cohesive branded experience to every member.

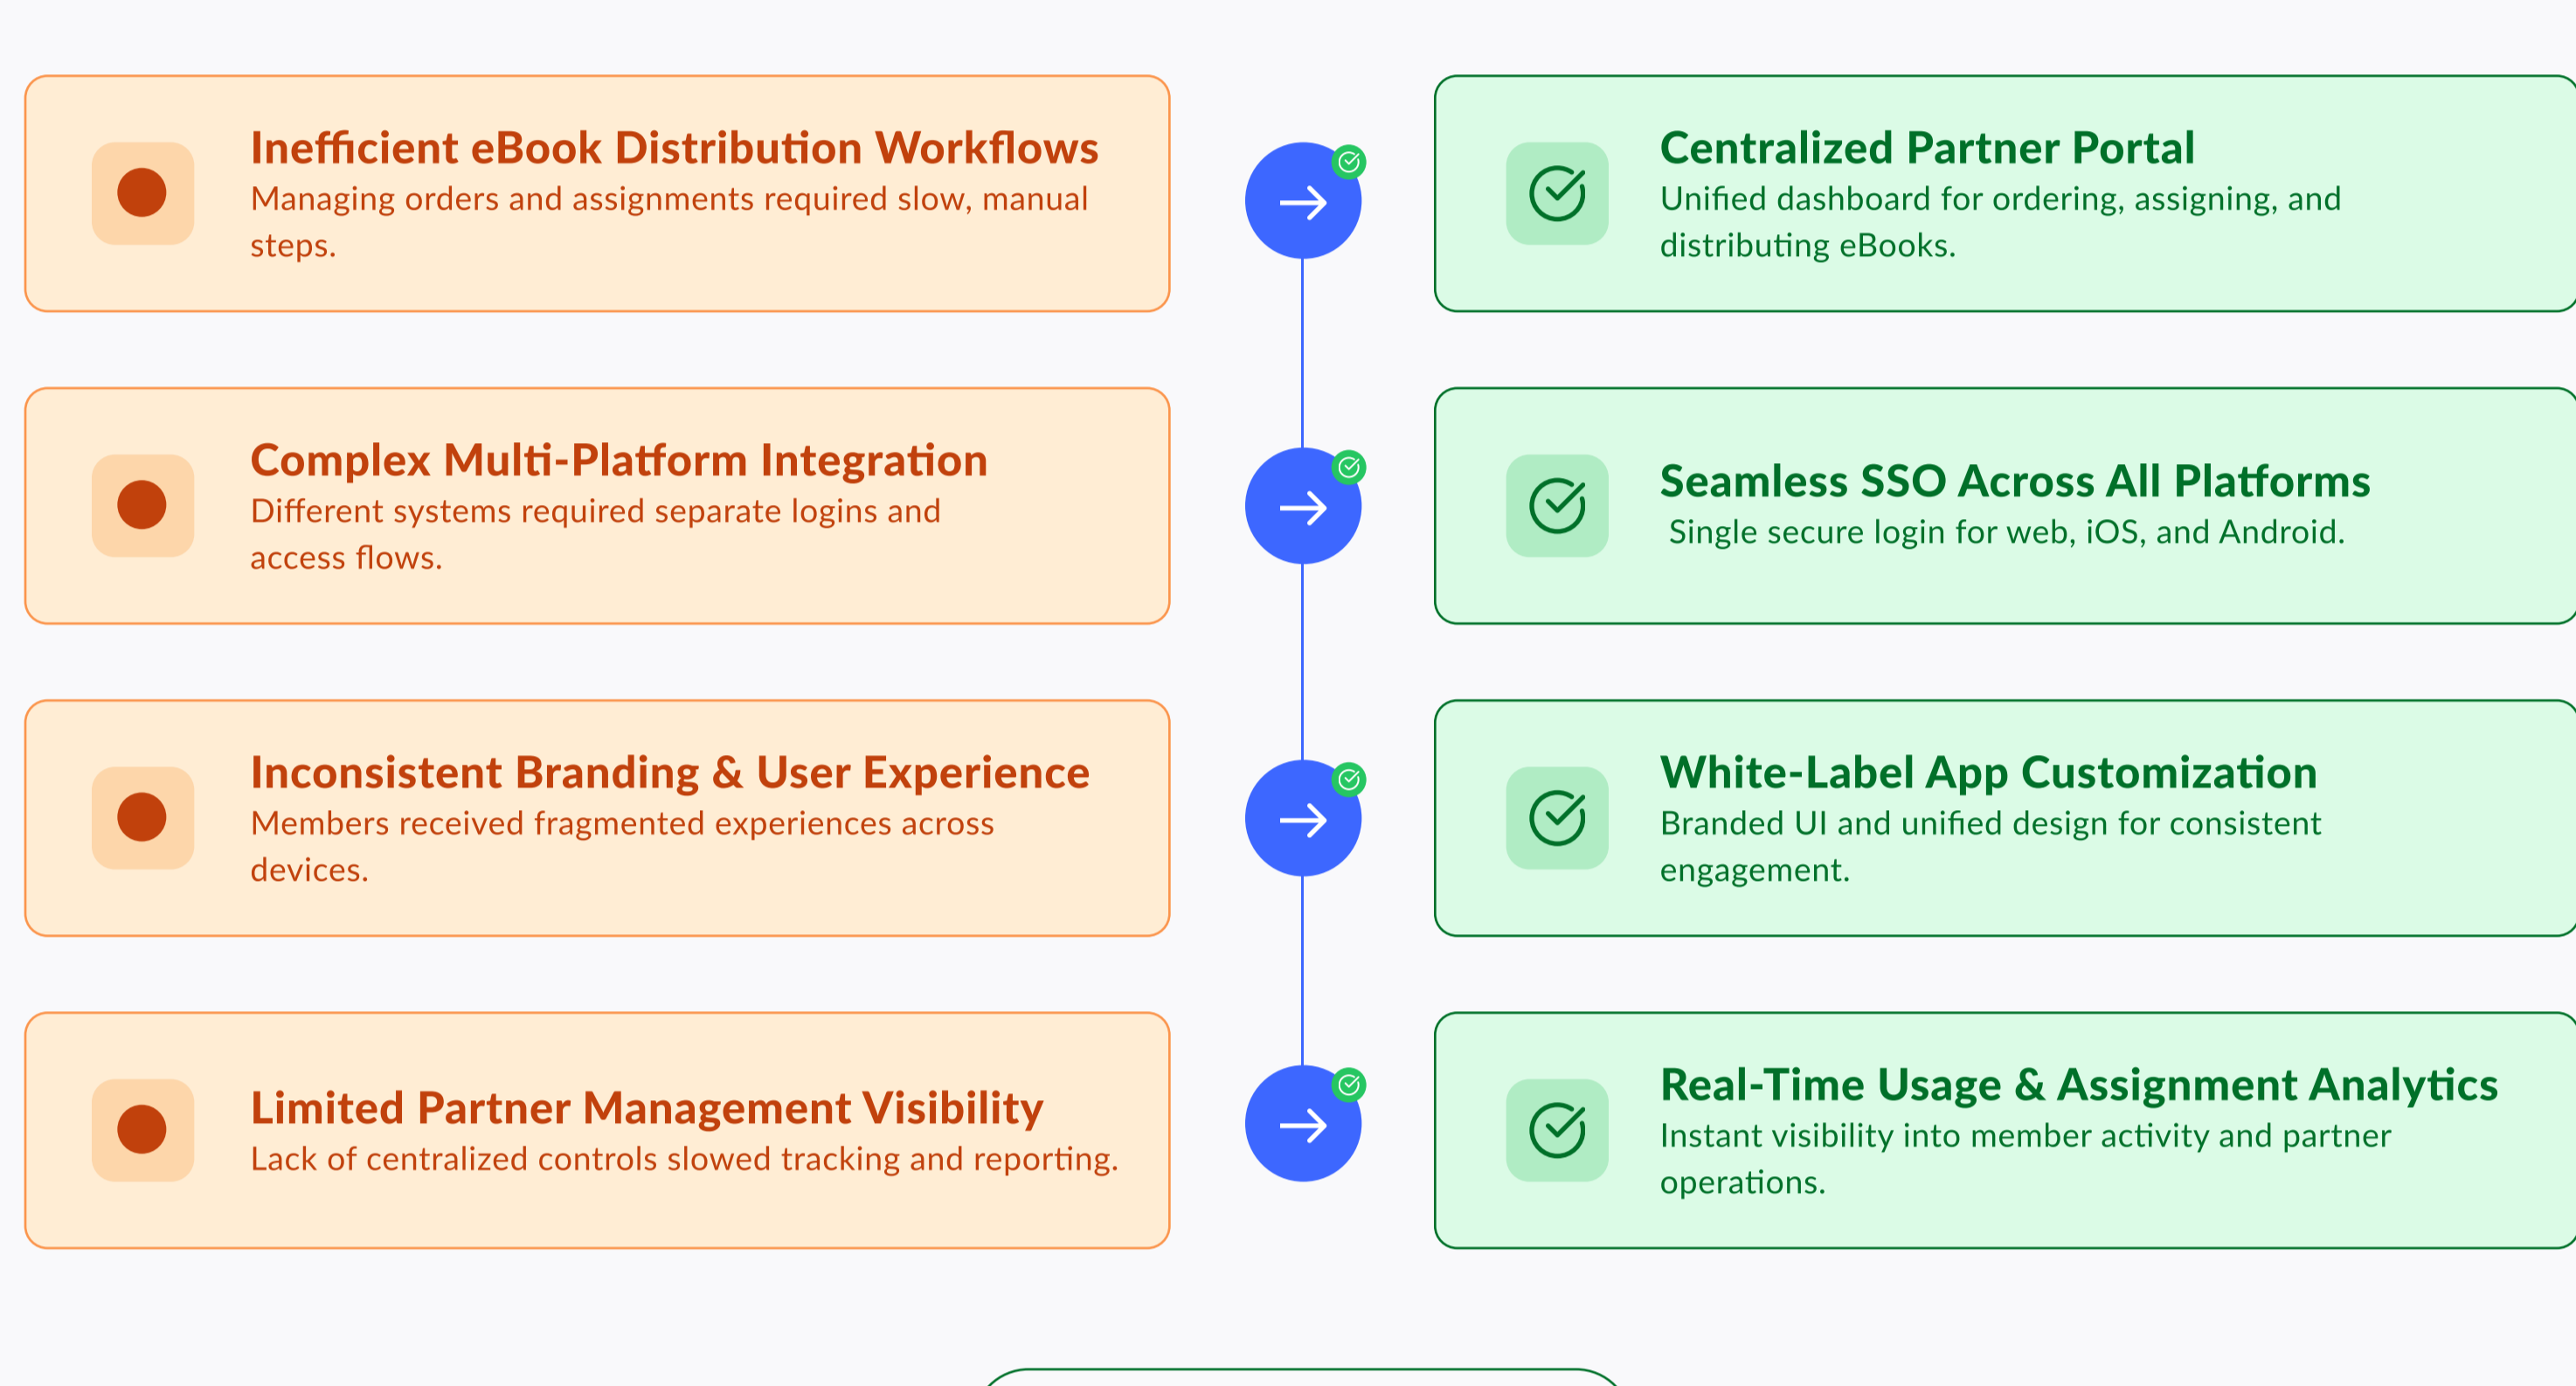

4 Months Search Duration | 10 Platforms Evaluated | 1 Clear Winner

<p>Security & Control Essential protection to safeguard content and manage partner access.</p>	<p>Unified Member Experience Consistent login and reading experience across all platforms.</p>	<p>Brand Consistency White-labeling required to strengthen identity and drive engagement.</p>
